

May 31, 2007

To the participants of the
International Telecommunications Society
ITS2008 Montreal 17th Biennial Conference

**ITS2008 Montreal 17th Biennial Conference – Chair’s and co-chairs’
Invitation Letter**

Dear Colleagues,

You are cordially invited to participate in the ITS2008 Montreal 17th Biennial Conference on *“The Changing Structure of the Telecommunications Industry and the New Role of Regulation”* to be held in Montreal, Quebec, Canada, from June 24th to 27th, 2008.

It is the first time that the ITS is holding its biennial conference in Canada. It will be an opportunity for the international community, academics, industry researchers, market and industry analysts, government officials and policy makers, to present their original work and exchange ideas and develop a new vision for the future of the telecommunications industry, and its regulation. Contributions to the progress of developing new ideas to stimulate this vital industry and provide new approaches to regulating are welcome.

The organising committee has been working hard to make the ITS2008 Montreal 17th Biennial Conference a truly memorable experience for all participants.

We sincerely hope that you will join us in making ITS2008 Montreal 17th Biennial Conference a true success. We look forward to welcoming you to Montreal and to ITS 2008 17th Biennial Conference.

Sincerely,

Anastassios Gentzoglakis

ITS2008 Montreal Chair

Stephen Schmidt

Stanford Levin

ITS2008 Montreal Co-Chairs
