Dr. Seongcheol Kim is a professor in the School of Media and Communication at Korea University. He is the director of the Center for ICT and Society and the Smart Media Service Research Center in Korea. He is also an associate editor of *Telecommunications Policy* journal and the co-editor of *Digital Business* journal. He is the former president of the Korean Association for Information Society (KAIS) and Korea Media Management Association (KMMA). He received his BBA and MBA from Seoul National University in Korea and an MA in Telecommunication and PhD in Mass Media from Michigan State University in the U.S. Since 1989, he has worked for academia as well as business and government. His research interests include ICT management and policy. From September 2020 to April 2021, he has served as the chair of the Korean forum for online platform policy and made the first report of the forum.
